**Tips:**

- Assign roles to adults who are familiar with the household layout and emergency procedures.
- Review roles quarterly and update as necessary.
- Conduct a family drill at least twice a year to ensure everyone understands their responsibilities.

**4. Emergency Procedures**

1. Stay calm and assess the situation.
2. Activate alarm system (if applicable).
3. Contact **armed response** and/or **SAPS** immediately.
4. Follow household roles: secure home, assist vulnerable members, provide first aid.
5. Do **not confront intruders**—leave this to trained responders.
6. Record incident details (time, nature, any observations) for authorities.
7. Review and update security plan after each incident.
